In this form, *you, your* and *licensee* means the person or company applying for this licence or filing an annual report. *We, our, us* and *SOCAN* means the Society of Composers, Authors and Music Publishers of Canada. *Works* means any or all of the musical works in SOCAN's repertoire.

If you are applying for a licence, SOCAN will process your application within 30 days of receipt and contact you in the event that your application is not approved. If you already have a licence under SOCAN Tariff 9, this is your annual report.

A Tariff 9 licence gives you the right to publicly perform live and recorded *Works* in connection with baseball, football, hockey, basketball, skating competitions, races, track meets and other sports events.

Please contact us if you have other music uses. You may need to be licensed under other tariffs. A licence to which Tariff 9 applies does not authorize performances of music at opening and closing events for which an additional admission is made; for such events, Tariff 4 shall apply. If you have a licence under Tariff 21, you may not need to apply for a licence under Tariff 9.

How to calculate your licence fee

The licence fee payable per event for the year 2012 is 0.09% of gross receipts from ticket sales (excluding sales and amusement taxes). The fee payable for an event to which the admission is free is \$5.

For the purposes of reporting under Tariff 9, a complimentary ticket is valued at half the lowest price paid for a sold ticket from the same ticket category in the same event.

Once you've completed the calculation for each event, add up all events for the total payable. Use extra forms to list more events.
